## EXPERIENCE

**Clinical Operations Manager** – *University of Pennsylvania* **–** *Philadelphia, PA*          **2018 - Present**

Strategically plan resource allocations, ranging from a 3-month to a yearly projection. Serve as a deputy to the Director of Operations and coordinate with other functional managers/directors. Implement and train on new electronic systems and hire, train, and supervise junior staff.

*Key Accomplishments:*
- Integrated Wordpress website with custom HTML/CSS.
- Thoroughly organized and detailed operational metrics tracking.
- Introduced process improvements to cost analysis methods for faster budget development.

**Clinical Operations Lead/Specialist** – *University of Pennsylvania* **–** *Philadelphia, PA*          **2016 - 2018**

**Research Specialist** – *University of Pennsylvania* **–** *Philadelphia, PA*          **2015 - 2016**

**Clinical Research Assistant** – *University of Pennsylvania* **–** *Philadelphia, PA*          **2014 - 2015**
